

# Rails Technique Presentation Grading Form

**Name:** \_\_\_\_\_

**Topic** Did you pick a rails technique that is useful for adding a function to the Our Michigan Ave project this semester? Is it useful for many other projects?

**Content** Did you explain why the technique is important and how it can be implemented? Does the presentation illustrate the material well? Are key points included? Is peripheral material excluded? Are the coding examples clear?

**Organization** Is the presentation well organized, with an introduction that captures the audience attention, a short preview of the main points, and an explicit and logical relationship that connects all of the details, and a clear takeaway?

**Points** \_\_\_\_\_ out of 100
